

Golf Days and Events

Influenced by the great Harry Colt, Greystones is a classic and traditional golf course that not only has an unsurpassed aesthetic beauty but is also a masterpiece in tactical design. In this regard, it both tests a golfer's shot making abilities, as well as providing a variety of strategic conundrums to negotiate. Alongside the panoramic views of the Wicklow Mountains and the dramatic coastline sweep from Lambay Island to Wicklow Head, Greystones is widely regarded as one of the finest parkland courses in all of Ireland and the UK. Just as important, the conditioning and maintenance of the golf course makes Greystones one of the best prepared in Ireland, with our greens consistently rated as the best and fastest in the country.

Hospitality & Private Events

Steeped in the history of the famed Burnaby Estate, one of Ireland's most desirable locations in which to live, Greystones Golf Club is one of the finest event destinations in South Dublin and Wicklow. With a clubhouse designed in the classic Georgian architecture, we have all the touches expected of such an historic venue. With mahogany finishes, leather chairs, lounge sofas and bespoke dining, hosting an event at Greystones provides our guests with an ambience in which to relax and enjoy time with clients and friends. In addition, we also have a private board room, a fine snooker room and are extremely fortunate to have an original Georgian walled garden, in which our putting green is located and where we can host private events in the summer months. As befitting such a warm and friendly club, we encourage all our guests to treat the club as a second home while enjoying spectacular views over our classic Harry Colt influenced golf course and the fabled Wicklow Mountains.
