

Entering Singles Scores on HowDidIDo App

Until further notice, we will be using the HowDidIDo app for all singles competition score entries. Please do not return physical singles scorecards to the Competitions box. The Terminal in the Ladies Locker Room can only be used for HowDidIDo score entries.

When entering scores, please follow the procedure outlined below:

- The Player and Marker do not exchange physical scorecards.
- The Marker should complete the physical card during the round.
- Immediately following their round,
 - the Marker & Player verbally verify the scores.
 - Player logs in to HowDidIDo on their phone.
 - Player MUST indicate the name of the Marker before entering scores.
 - The Marker calls out the score on each hole, and the Player enters the score in HowDidIDo.
 - The Player and Marker electronically certify the scores - this is done by the Player entering Marker name and Player signature in HowDidIDo.
 - The Player and the Marker should not leave the Club until the score has been entered and electronically certified.

The Terms of Competition have been revised and include addendums to points 7 & 8 to incorporate these changes to procedure during COVID.

Questions, Queries, Observations or Assistance

You will need to install HowDidIDo on your phone. If your phone does not facilitate this, or you have any difficulties, the Competitions Committee are very happy to assist .

Karen Purcell 0879234031
Niamh Keilthy 0872217725
Gemma Brazil 087 681 5614

It is recommended that you also familiarise yourself with the full Terms of Competition available in this section of the Greystone Golf Club website.
