

## **Policy Statement**

### **Greystones Golf Club**

Greystones Golf Club is fully committed to safeguarding the well-being of their members. Every individual in golf should at all times show respect and understanding for members' rights, safety and welfare and conduct themselves in a way that reflects the principles of the organisation and the guidelines contained in the Code of Ethics and Good Practice for Children's Sport and Greystones Golf Club's Safeguarding Policy.

In working with young people in golf our first priority is the welfare of the young people and we are committed to providing an environment that will allow participants to perform to the best of their ability, free from bullying and intimidation.
